New Interdisciplinary Research Group Proposal

Please send applications electronically to humanities@miami.edu by the advertised deadline.

Include the following items:

1. A proposal that contains a list of participating faculty and graduate students, and which describes the focus of the research group and activities to be funded. Include near-term and longer-term goals for the group.
2. A budget including expenses up to \$2,000 that details costs such as honoraria, travel, accommodations, hospitality, and promotional materials (posters, fliers, etc)
3. Curriculum vitae (maximum 2 pages) for the organizers (at least two from different departments)
